PETITION TO REVIVE

Honorable Commissioner of Patents & Trademarks
Washington, D.C. 20232

Sir:

Applicants herewith petition the Commissioner to revive the above application, unintentionally abandoned on 4/27/2002 for failure to respond to the 2/27/2002 Notice To File Corrected Application Papers (copy enclosed), and now allow prosecution of this case to be resumed. Enclosed here with also is a copy of the necessary response which had been due at that time (which is a reprint of the specification text with the claims beginning on a separate page, and which now is 16 pages long instead of 15 pages long so as to accommodate that required change). Applicants hereby further state that the entire delay in filing the required reply from the due date for the reply until the filing of this Petition was unintentional.

Please charge to our Army Deposit Account No. 19-2201 the sum of \$1,330. for cost of the requested petition. A fee letter authorizing this charge is also enclosed. In the event a lower fee, or no fee, is actually in order, it will be appreciated if the necessary refund to our account is entered.
